Series Overview:

These classes are guaranteed to help you study for the **class I & II** water distribution exams!

Series Schedule:

- **Day 1** – 1/24 – 7:30 – 3:00PM
- **Day 2** – 2/9 – 7:30 – 3:00PM

Join Maine Water Utilities Association for the best operator certification training around! This course will review the water distribution system designs, operations, maintenance as well as the principles and practices of water supply. The main emphasis of the course will be to prepare students for their Class 1 & 2 water distribution certification exams.

For anyone working with distribution systems!
