Series Overview:

These classes are guaranteed to help you study for the **class I** water treatment and distribution exams!

Series Schedule:

- **Day 1** – 2/13 – 8:00 – 3:30PM
- **Day 2** – 2/14 – 8:00 – 3:30PM

Join Maine Water Utilities Association for the best operator certification training around! This course will review everything from where your water comes from to how it is safely provided to your customers. Key math concepts will be reviewed as well. The main emphasis of the course will be to prepare students for their Class 1 water distribution and treatment certification exams.

For anyone working with water systems!
